

CONTINUOUS RELEASE FERTILIZER 5-28-0 with 10%Mg

GUARANTEED ANALYSIS

Total Nitrogen (N)*	5%
5% Ammoniacal Nitrogen	
Available Phosphate (P ₂ O ₅)*	28%
Magnesium (Mg)*	10%

Derived From:
Magnesium ammonium phosphate hexahydrate

*5% slowly available total nitrogen (N), 28% slowly available phosphate (P₂O₅), and 10% slowly available magnesium (Mg) from magnesium ammonium phosphate hexahydrate with 0% Water Soluble Magnesium (MgS).

APPLICATION METHODS-GUIDELINES

- When topdressing containers, such as in greenhouse or nursery applications, evenly spread product at Agronomist recommended rates on the soil surface.
- For field use (agricultural and turf), incorporate into the soil after broadcast application. Applications may also be done by placement or banding of fertilizer in the seed row.
- For the agronomic application rates suitable for your geographical area or the maximum allowable application rates per acre, consult a trained soil specialist.

PRODUCT TRIAL: Before a new fertilizer program is used in full production, a trial is recommended to ensure satisfactory results given the individual cultural practices, environment and plant types.

Net Weight: 2000 lbs.

WARNING
MAY CAUSE MILD SKIN IRRITATION
MAY CAUSE EYE IRRITATION
MAY CAUSE RESPIRATORY IRRITATION

Precautionary Statements

Call poison center/physician if unwell. If skin irritation occurs, get medical advice. If in eyes, rinse cautiously with water for several minutes, remove contact lenses. If eye irritation persists, get medical advice. Wash hands after handling. Use only outdoors or in well ventilated areas. Avoid breathing dust. If inhaled, remove to fresh air and keep at rest in a position comfortable for breathing. Store container tightly closed. Dispose of contents/container in accordance with national/regional/local regulations.

First Aid

If swallowed: If victim is alert and convulsing, give one glass of water to dilute material, but DO NOT induce vomiting. Seek immediate medical attention

If on skin: Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before reuse.

If in eyes: Immediately flush with water for at least 20 minutes. Seek medical attention if irritation persists.

If inhaled: Move victim to fresh air. Seek medical attention if irritation persists

IMPORTANT NOTICE: DISCLAIMER AND LIMITATION OF LIABILITY

This product has been researched to provide necessary data to support its use on ornamentals, turf, and agricultural crops. However, it is understood that tests may not have been carried out on all varieties or cultivars and under all growing conditions on all plants listed on the label. The user should always follow the label directions and exercise his judgment and caution when using the product on a given variety until familiar with the results under his growing conditions. NO WARRANTY OR REPRESENTATION IS MADE, EXPRESS, OR IMPLIED, CONCERNING THE RESULTS TO BE OBTAINED FROM THE USE OF THIS PRODUCT. To the maximum extent permitted by the law, the exclusive remedy of the user or buyer, and the limit of liability of Ostara USA, LLC, its parent company or any of its employees, directors, licensors, or affiliates or any other seller for any and all losses, injuries or damages resulting from the use or handling of this product shall be the purchase price paid by the user or buyer for the quantity of this product involved. The buyer and users are deemed to have accepted the terms of this notice, which may be varied only by agreement in writing, signed by a duly authorized representative of Ostara USA, LLC.

Manufactured by:
Ostara USA, LLC
